9th September 2019

Dear Parents

After school clubs 2019/20

We will be starting up our after school clubs the week commencing 23rd September. The children have been consulted about the kind of clubs that they would like and, as such, we are able to offer a range of active clubs across the school, which focus upon different skills and interests. This block will run until the week commencing 2nd December 2018, however, should we manage to secure additional coaches and after school clubs, we will notify you by letter.

The clubs are provided by specialist coaches and musicians who give up their own time to plan and deliver experiences for the children. Unfortunately, on occasion, they have had to feedback advising that the behaviour of some children has fallen below the expected standard. Naturally, we all want every child to have the best experiences possible, therefore, we are asking that you take a moment to go over the attached behaviour contract with your child before signing it and returning it to us. Please note that in order to secure a place in any after school club, a behaviour contract must be signed, dated and returned with your requested club.

In addition to our after school clubs, our Primary 7 Sports Ambassadors will be working alongside our Active School coaches delivering lunchtime clubs. Children will be able to sign up, at school, for a variety of clubs such as athletics, football and basketball.

Whilst we, at Bellsquarry, strive to deliver different experiences for our children, there are also further opportunities for children to participate at the James Young High School, details of which are noted at the end of this letter.

Finally, if your child would like to take part in one of Bellsquarry after school clubs please return the slip expressing interest by Friday 13th September 2019. Please note that places are limited so we will inform children if they have been successful in gaining a place in their preferred club before we ask for payment.

If your child is successful in obtaining a place, you will receive an email inviting you to pay via IPayImpact. **Please note that payment must be made in full prior to the club commencing. Should payment not be made prior to a club starting then your child/ren's place will be offered to another child.**

Yours sincerely
